## ABOUT US

GiftAble is a social enterprise which strives to create an ecosystem of like-minded individuals to collectively build an inclusive society.

We aim to empower people with disabilities across several aspects of their life and support them in living a life of dignity.

All our efforts are thus, in line with the same.

- Choose a silent place and make sure that there is no background noise dominating the audio.
- Earphones or Headphones with Mic is recommended.
- Read the passage once, aloud before you start the actual recording.
- Pause for first few seconds, then start recording.
- Begin the recording with subject name, unit number, chapter number, main heading, subheading, and so on.
- Spell out the tough words while recording.

- Be clear and precise. Do not read too fast or too slow.
- Read what is given in the textbook.
- Self-Access yourself after every recording.
- Stick to the deadlines.
- Listen to the Sample Audios for reference.
- Exclude flowchart, maps, diagrams and tables, while recording.
- Read aloud and take care of the pronunciation, pitch and modulation while recording.

- If recordings are in question and answer format, first read the question followed by the answer very clearly.
- Length of the file should not be more than 15 minutes.
- Ensure to save the file after recording, it is mandatory step needed to be followed.

## **Note:**

- Recording can be done in your mobile phone by the default audio recorder but kindly ensure that it is in proper working condition.
- The recordings can be uploaded in the google drive link created for saving the files.
- The same link is shared with all the visually impaired students across the country.
- The audio recording can also be done using iPod, voice-recorder and in memory card to save the files.
- The length of each recording should not exceed more than 15 minutes for each file.

# Yes!!!!

GiftAble is a thought that we all can live with dignity and earn our livelihood. I may not fit in to typical societal norms or silos due to physical limitation. However, that should not be considered a reason to portray me fit only for charity. I can and will contribute towards building a just, sensitive and healthy society.

Start looking at my Abilities .... I am GiftAble!!! 😊
