ABOUT GIFTABLED FOUNDATION

GiftAble Foundation was formed in 2013 as a Public Charitable Trust. GiftAble is a thought that we all can live with dignity. People with Disability may not fit into typical societal norms or silos due to their physical limitation. However, that should not be considered a reason to portray them fit only for charity. They can and will contribute towards building a just, sensitive and healthy society. Let us start looking at their Abilities.

GiftAble strives to create an ecosystem of like-minded individuals and collectively build a disabled friendly society. We aim to empower individuals with disabilities across crucial aspects of their life, and have designed several services with this aim in mind.

GiftAble has always worked on the premise that collaboration and reaching out to larger community can create deeper impact rather than working in silo. This year was all about building associations that could be win-win for all the stakeholders. Our first Early Intervention Center was kick started at Tumkur. This provided ray of hope to mainstream children with development delay via therapies and aids/ appliances.

As we continue to grow our goal to provide relevant skills to beneficiaries is critical for the upliftment of Persons with Disability. That said we have had multiple workshops including TTT on making of different products. Due to such engagements we could reach out to beneficiaries across country. Irrespective of disability whether physical or intellectual creation of self-employment always leads to cascading impact. It is not just Persons with Disability but even their care takers that start nurturing the thought of better life. In years to come GiftAble will conduct longer duration workshops in remotest areas of our country.

In over half a decade journey we have learnt and understood the larger challenges with respect to disability. Goal is to speed up the process of change and reach out to interiors of India. We at GiftAble believe that societal and financial issues associated with disability has to be dealt comprehensively. Hence we will continue to focus on Health, Education and Livelihood of Persons with Disability to bring change on the ground.

I on behalf of GiftAble Team thank all our volunteers and well wishers. We have just begun our journey and without your love and support we could not have achieved so much in such a short period of time.

Happy Inclusion!!

6th Year

As we step into 6th year, we as an organisation have learnt and matured in many ways in the journey to Inclusion. We have grown and started our new branch in Pune, Maharashtra. With the experience over the years, we have taken up projects on Health, Livelihood, Education and have successfully implemented with more knowledge. This is possible with the support of all the NGOs, Corporates, and Volunteers who have believed in our vision from the start.

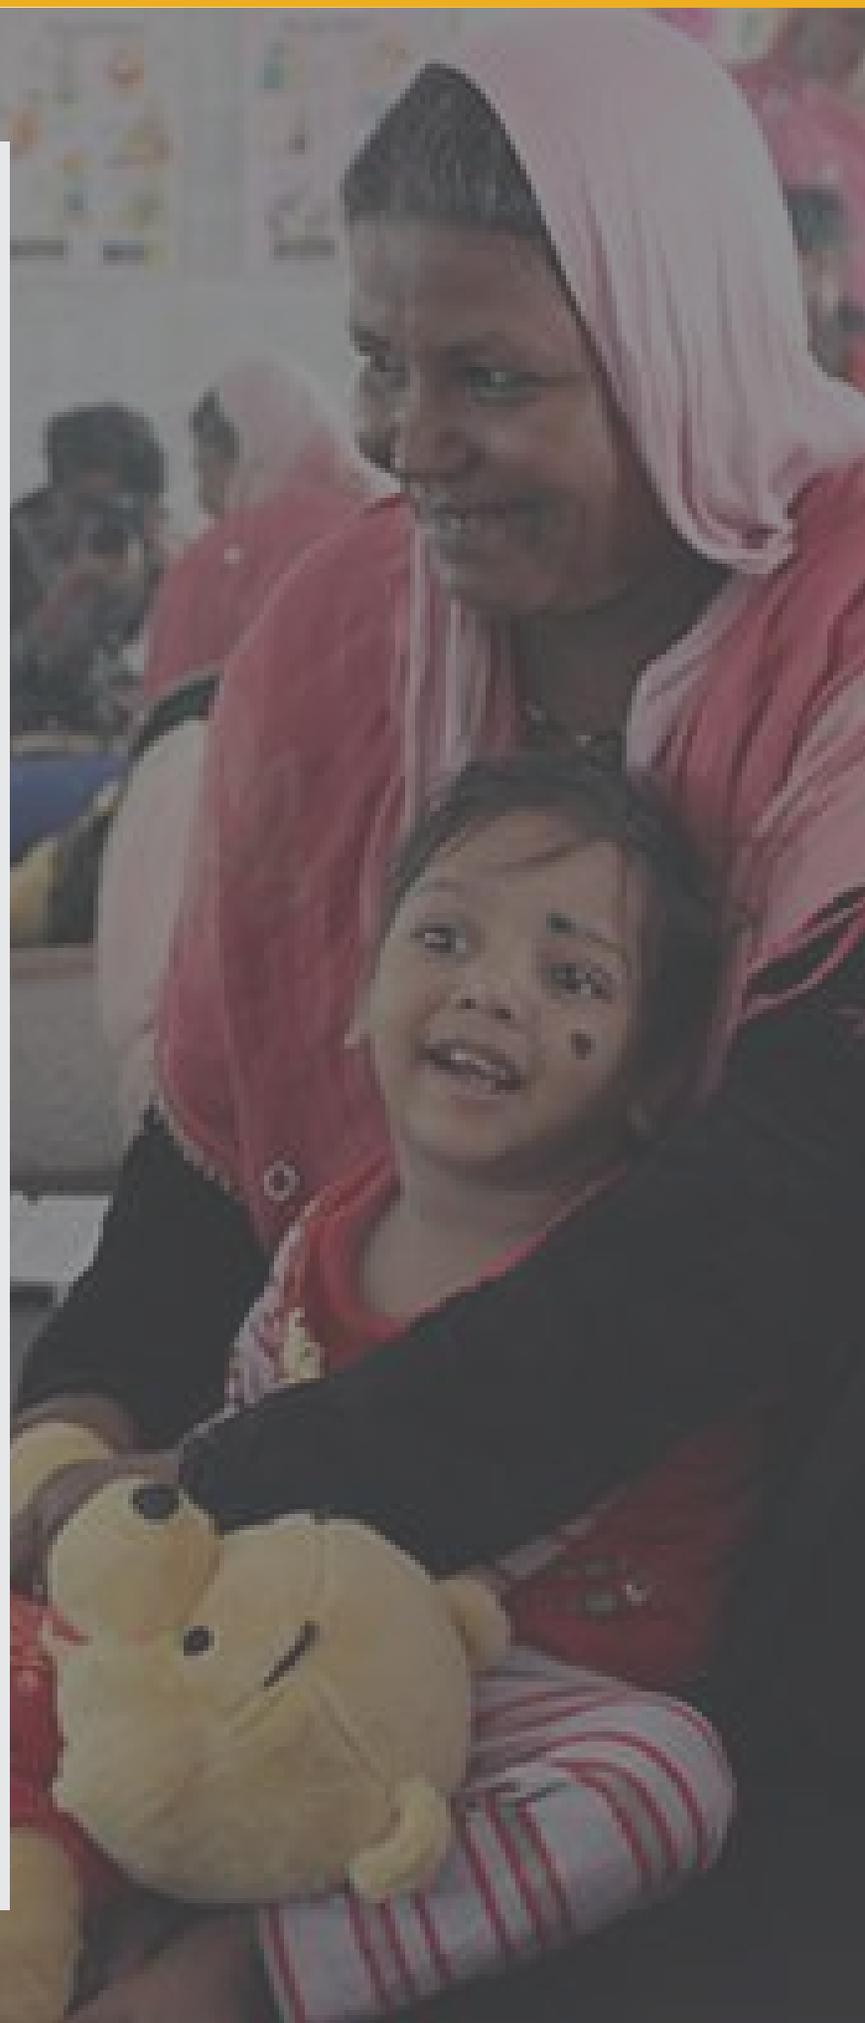

PROJECT: HEALTH

Early Intervention

Our Early Intervention Program that is dedicated to helping children between the ages of 0- 6 years who have a developmental delay in 5 core areas.

1. Cognitive Development
2. Physical Development
3. Communication Development
4. Social and emotional Development
5. Adaptive Development

Aim of this program is to promote age-appropriate development and growth of children with developmental delay.

Sparsha Special Academy Trust

GiftAbleD Foundation supported Sparsha Special Academy Trust, an Early Intervention center in Tumkur urban areas with APD as Technical Partner. The center started on 18th April 2018 with the identification of over 65 children between 0-6 years in 33 wards around the region.

APD team assessed over 25 of these children and set goals. Regular intervention support had been provided to 35 children with developmental delays including center based and home based support.

Key Activities at the Centre

- Two day residential camp had been planned with 23 parents participating. APD team facilitated all the camp activities for the parents.
- Two week training for Staff planned in two phases.
- Distribution of wheel chairs for 16 adults and children with disabilities to improve their functional abilities and to make them independent.
- 3 Parent meetings were conducted to discuss the challenges and concerns related to children.
- Audiogram test was done for 16 children with hearing impairment and 10 children are advised to have hearing aids.
- 3 Children with Clubfoot information shared with APD for free surgery opportunities in Bangalore.

Milestones

- Change in the attitude of the parents towards their children.
- Improvement in the functional abilities of all the children undergoing therapy regularly.
- 8 children showed good development in functional abilities – neck control, identification, sound responses, smiling, sitting balance, ankle tightness relief, standing and walking with support and without support.
- ICDS teachers referred DD and GDD children to the center to access the services.
- Parents are motivating other parents and referring their children to the center to access the services and follow up services.
- 6 children were helped to get the disability certificates from the Disability department.
- Parents visiting DDWO and submitted memorandum to avail the financial support for assistive devices, improved their self confidence.
- Training of 150 anganwadi teachers on the importance of EI, rehabilitation and referral services of children.

Impact Stories

Madiha was diagnosed with Delay Development when she was 9 months old, she did not have neck control, her spinal was very weak, she had a problem with swallowing her food.

Her Mother Musarat says *"After coming to Early Intervention Center, there has been a lot of improvement in her condition. After a proper 11 months of intervention, Madiha can now walk and stand with support."*

"When Vijay started growing, his body stopped responding and turning very rigid, he was not able to make any movements, started developing speech problems."

"There has been a whole lot of improvement in Vijay due to the therapy he is going through in the Early Intervention Center, he is now 2.6 years old able to sit and stand without any support. There has also been an improvement in his speech and responds very well to us" said Jyothi, mother.

My Body Belongs To Me

Workshop on Safe Touch

GiftAble conducted "My body belongs to me", a workshop based on safe touch and unsafe touch to 45 kids from Urdu government school near Lalbagh.

Health Awareness Workshop

GiftAbleD conducted session on health awareness for 15 women with hearing impairment on women care in reproductive age - Periods, Mensuration abnormalities, and Pregnancy care by Mamtha N. All these women promised to take care of themselves by following the tips given by the trainer and by drinking lot of water and exercising regularly.

PROJECT: LIVELIHOOD

Swatantra - The Freedom

A program for skilling Persons with Disabilities and the underprivileged. Aim is to build long term varied skill sets of NGO partners so that they can tap into open market to sell their products. The main goal of this program is to enhance the quality of life of Persons with Disabilities and their caretakers through increased knowledge and skills but merely imparting literacy will not be sufficient. They need vocational training or skills as well to uplift their status. They should be able to stand on their feet and be an earning member of the family.

Swatantra - The Freedom

The program covers two kinds of trainings:

1. Train the trainers of our partner organisations in different skills and expertise so that they can inculcate the same amongst the beneficiaries.
2. Train SHGs and Persons with Disabilities and their caregivers.

This program aims to reach sustainable mass livelihood opportunities not only for Persons with Disabilities, but also acid attack victims, transgender persons, underprivileged women, single mothers and caregivers of children with disabilities.

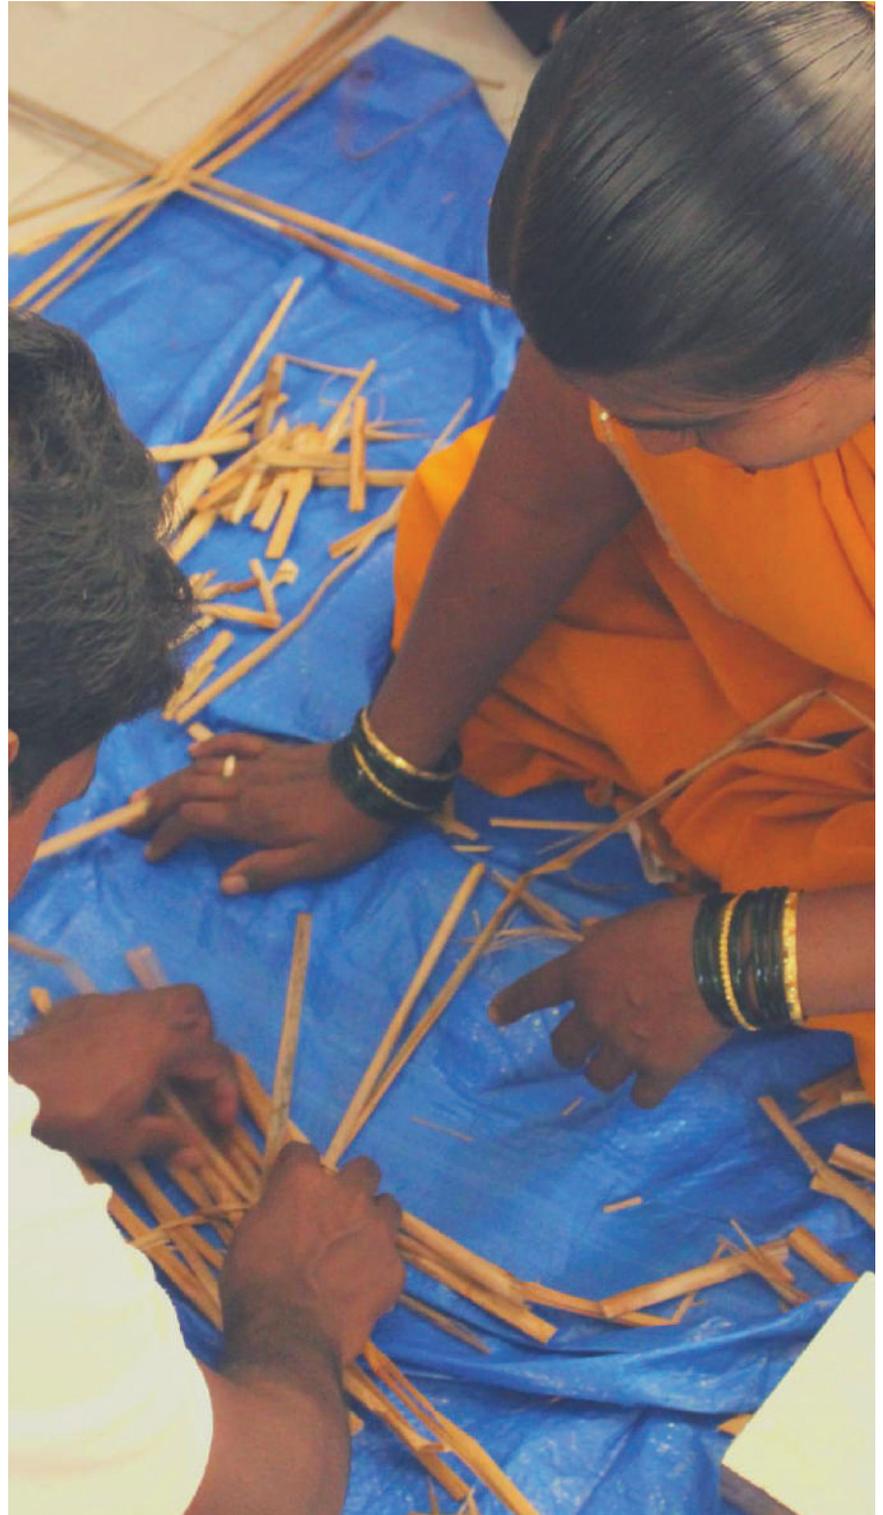

TRAIN THE TRAINERS

Weaving Workshop

This Workshop was conducted in 2 batches of 30 NGO's which covered basic and advanced techniques of weaving and also different products which can be made through the weaving. We have provided tools and raw material practice kits for all the participants in this program.

We also have conducted weaving workshop for 30 mothers of children with disability.

Impact: NGO's have started implementing the weaving technique in making paper rolls.

During Diwali, we received around 3300 units of order on a product made with support of painting by Akhilesh.

STORY OF CHANGE

"Our artist Akhilesh loves colours, whether it is painting a wall, block printing or painting diyas for Diwali. One can see the glow on his face when he starts painting. He plays with colours and flashes his beautiful smile. He was trained for 4 years to reach this level. Autism did not define him or stop him from becoming an artists."

Volunteer Engagement

We need a massive number of volunteers to change the fortune of our country. From my experience of a decade and a half in the sector of working with thousands of volunteers, I have seen impact being created through volunteers each and every single day. It could be as simple as bringing a smile on someone's face to changing someone's life for good. Volunteers play a role of a Guide, Mentor, Friend, Guardian, Scribe, Dance partner, Child for an elderly at an old age home, a Counsellor or someone who is just there to listen. I have seen many volunteers who changed their profession after volunteering. In fact, half of team members at GiftAble family have once started their journey as a volunteer. More power to all the volunteers who are passionately devoting their time and utilising their skills in the best possible way.

Happy Volunteering and look forward to more and more people coming forward to volunteer.

Traffic and Disability Awareness Campaign

GiftAbleD foundation celebrated India's biggest festival of giving Daan Utsav by joining hands with VFC (Volunteer for cause), Need Base India, Emoticons, Being Social, Cyclothon and Civil Defence QRT & Wardens to create awareness on Traffic and disability with a Dream for No Accidents in Bangalore City - Accident Free Nation. Message reached to 1000s of people on streets of Bengaluru following and not following traffic rules.

Activities involved:

1. Around 30 volunteers participated.
2. Chain started from Koramangala forum mall to St.Johns signal.
3. Volunteers insisted public to stop in the STOP Line.
4. Insisted everyone to obey the Traffic Rules, Wear a Helmet, Wear Seat Belt, Not to cross the Stop Line in all signals and Not to horn in Bangalore City.
5. Mime Act play and Sign language are some unique add-ons.

Spend Time with Spinal Cord Injured & their Caretakers!

One more event organised by GiftAbleD during the Daan Utsav was to spend some time in the outskirts of Bengaluru and have some fun filled moments with Caretakers, family members, therapists of Spinal Cord Injured people with disability from KRBAAS.

Karnataka Rajya Bennuhuri Apagathada Angavikalara Sanga mainly focuses on Spinal Cord Injury victims. KRBAAS is working in Ramanagara, Mandya, Hassan, and Mysore district and also a presence in Davanagere and Bijapura with that have separate District level association.

Assembling Wheelchair Session at SAP Ariba

GiftAble conducted employee engagement event at SAP Ariba with overall participation of around 300 volunteers of 20 groups who assembled 20 wheelchairs.

Assembled wheelchairs were handed over to the beneficiaries and remaining were sent to the needy in Tumkur.

Tactile Book & Wheelchair Assembly Workshop

GiftAble got an amazing opportunity to conduct a workshop on Tactile Books & Wheelchair Assembly Workshop for 45+ employees. Wonderful audience, great participation and support from McAfee.

Awards and Recognition

GiftAbleD wins the third position in the 7th edition of the Tata Social Enterprise Challenge 2018-19 a joint initiative of the Tata group and Indian Institute of Management Calcutta (IIMC).

The grand finale was held on January 12, 2019, at the IIM Calcutta campus. We thank our partner organizations, beneficiaries, corporates and volunteers who made this happen.
